

VIA : Acting Director of Training
Chief, Operations School
Registrar/OTR
Chief, Headquarters Training

24 January 1961

Cancellation of CMO No. 15

1. Clandestine Services Liaison Operations Course No. 15 was scheduled to start next Monday, 30 January. Only three students are registered for this running, all of whom will be available at Headquarters in May when the next running is scheduled.

2. Since it is clearly not feasible to run a course of this complexity involving a number of guest speakers from the DD/P, I recommend this running be cancelled.
